WHAT IS GLENDALE UNION ONLINE?

Glendale Union Online is an Internet instructional program. Distance learning is a state-of-the-art concept in education. The traditional classroom is replaced by online instructors who stay in regular contact with students to promote success.

The curriculum is interactive and motivating for students. All courses are written by NCLB highly-qualified teachers and are aligned to state and national standards. Courses are available for high school students needing credit recovery.

GUHSD recognizes that the best place to learn is in the classroom interacting with the teacher and other students. However, distance learning is an excellent choice for parents and students who would like to look at additional educational opportunities.

Glendale Union's Online education program offers these features:

1. Curriculum aligned to state and national standards
2. Content developed and taught by NCLB highly-qualified teachers
3. Rigorous and relevant curriculum for grades 9-12
4. A program accredited by AdvancED, a regional association of schools and colleges

COURSE INFORMATION

A highly-qualified teacher is the instructor for each Glendale Union Online course. Students are free to work at their own pace, following a lesson checklist to guide them successfully in course completion. Glendale Union students experience a multitude of activities with a rich mixture of multimedia, videos, online quizzes, and downloadable worksheets. Student progress may be monitored 24 hours a day, seven days a week.

REGISTRATION INFORMATION

Please contact your local counselor for registration information and course fees. For additional information, visit www.guhsdaz.org, and click on Glendale Union Online.
