

Reopening Task Force Recommendations

The following is a recommended list of criteria needed for each phase of re-opening or reversion.

Phase	Criteria/Recommendations	Rationale/Research
<p>All Students on Campus</p>	<p>The Task Force recommends that there be a comprehensive approach to reviewing data both at the state and national level.</p> <p><u>Data and resources</u></p> <ul style="list-style-type: none"> • Arizona Department of Health Services • Maricopa County Dept. of Public Health • Centers for Disease Control and Prevention • Arizona Department of Education • Regional Information or Zip Code Data <p>Minimal community spread - steady consistent downward trend in new cases OR Communication from the Arizona Department of Health Services that schools can safely reopen</p> <p>The Task Force recommends a consistent, district-wide requirement for all faculty, staff, students and visitors to appropriately wear face masks/face shields to CDC standards. Face shields are not replacement for face masks without proper medical documentation.</p> <p>https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html</p> <p>The Task Force recommends that all faculty, staff, students, and visitors use appropriate social/physical distancing while on campus.</p> <p>https://www.maricopa.gov/DocumentCenter/View/66816/K-12-School-Guidance-for-COVID-19-?bidId=</p>	<p>Minimal is the same language that the CDC has used.</p> <p>This recommendation is consistent with city requirements.</p> <p>If Phoenix or Glendale change requirements then the district would remain with one protocol across the district</p> <p>The recommendation is consistent with state and national requirements.</p>

The Task Force recommends a district-wide commitment to high standards of cleaning, disinfecting, and sanitizing.

The Task Force recommends the district continue to monitor HVAC systems for appropriate ventilation and air transfers.

The Task Force recommends that procedures be put in place to limit the sharing of items between students and to limit personal belongings that are brought to campus.

The Task Force recommends that students have a consistent seat assignment in each class.

The Task Force recommends that the safety of gatherings be assessed. While there is a possibility of spread, social distancing guidelines should be in place.

The Task Force recommends that the district administration and transportation department create a plan for student safety while on buses.

The Task Force recommends that GUHSD have a consistent communication plan for faculty, staff, students, parents and community.

The Task Force recommends that GUHSD follow CDC, ADHS, and Maricopa County Dept. of Health guidelines for reintroducing someone back to campus after a positive Covid-19 test/exposure.

<https://www.maricopa.gov/5588/COVID-19-Testing>

The Task Force recommends that district administration and local campuses coordinate with teachers/staff to develop district wide protocols for those classes, facilities and programs with unique needs.

The Task Force recommends that GUHSD have a plan in place and revise the plan (following CDC and guidance) for addressing the possibility of a spread.

	<p>The Task Force recommends that district administration and local campuses coordinate/implement a Covid-19 education plan for students, employees, and families.</p> <p>The Task Force recommends that GUHSD implement attendance and make-up work policies and gradebook practices to support student success during the pandemic.</p> <p>The Task Force recommends that the district has a support system that addresses the social emotional and mental health needs of students, faculty and staff.</p> <p>The Task Force recommends commitment and compliance for all mitigation strategies from all GUHSD stakeholders.</p>
