General Information about P-EBT:

The United States Department of Agriculture (USDA) has approved the Arizona Department of Economic Security (DES) to administer Summer 2023 P-EBT in partnership with the Arizona Department of Education (ADE).

These are the requirements that must be met to qualify:

- Student must be enrolled in May 2023 of the 2022-2023 school year in a school that participated in the National School Lunch Program (NSLP).
- Student must have been approved for free or reduced-price meals by May 25, 2023 by submission of a GUHSD Free or Reduced-Price Meal Application online, submitted a hard copy to the cafeteria manager of the school, or found to be eligible through ADE CNP Direct Certification system. Those who were approved and eligible received a letter through email or post office mail providing notification of this approval to the head-of-household and/or mailing or home address on file.

A letter from DES will be provided to eligible families late July/early August 2023 informing them of their benefit. If notification is not received by July 28, 2023 families need to contact the **P-EBT hotline at 1 (844) 841-3802** to check the status of their benefit.
